Title Employee Use of Cell Phones

Code No. 401.12

The use of cell phones and other communication devices may be appropriate to provide for the effective and efficient operation of the school district and to help ensure safety and security of people and property while on school district property or engaged in school-sponsored activities.

The Board authorizes the purchase and employee use of cell phones as deemed appropriate by the superintendent. School district-owned cell phones shall be used for authorized school district business purposes, consistent with the school district's mission and goals. Personal use of cell phones is prohibited except in emergency situations. Any expenses incurred for such personal use shall be reimbursed to the school district.

Use of cell phones in violation of board policies, administrative regulations, and/or state/federal laws will result in discipline, up to and including dismissal, and referral to law enforcement officials, as appropriate.

The superintendent is directed to develop administrative regulations for the implementation of this policy, including a uniform and controlled system for identifying employee cell phone needs, monitoring use and reimbursement. Provisions may also be included for staff use of privately owned cell phone for authorized school district business.

Employees may possess and use cell phones during the school day as outlined in this policy. Employees should not use cell phones for personal business while on-duty, including staff development times, parent-teacher conferences, etc., except in the case of an emergency or during prep time or break/lunch times. Employees, except for bus drivers, see below, are prohibited from using cell phones while driving except in the case of an emergency.

Cell phones are not to be used for conversations involving confidential information. School district-provided cell phone devices are not to be loaned to others.

School bus drivers are prohibited from using any communication device while operating the bus except in the case of an emergency, or to call for assistance, after the vehicle has stopped.

Employees violating the policy will be subject to discipline, up to and including, discharge. It is the responsibility of the superintendent to develop administrative regulations regarding this policy.

Cell Phone Usage

1. Cell phones shall be used in a manner that does not disrupt instruction and should not be used during school-sponsored programs, meetings, in-services, or other events where there exists a reasonable expectation of quiet attentiveness unless there is a reason of personal health or safety involved.
2. Cell phones should not be used to transmit confidential information either verbally or written.
3. Employees are prohibited from using a cell phone while driving, unless in the case of an emergency, unless the vehicle has come to a complete stop.
4. Cell phones are provided specifically to carry out official school district business when other means of communications are not readily available. These devices may not be used for routine personal communications except in emergencies.
5. Personal use of school district-provided cell phones is limited to making or receiving calls for family emergency purposes, including contacting a family member or child care provider to advise that the employee is going to be late arriving home or picking up children for a reason directly related to his/her official school district duties i.e., a meeting which runs later than expected or a last minute schedule change. Whenever possible, such calls should be made or received on school district or other public telephones.
6. Employees issued a cell phone are responsible for its safekeeping at all times. Defective, lost or stolen cell phones are to be reported immediately to the superintendent who will in turn notify the service provider. Reckless or irresponsible use of school district equipment, resulting in loss or damage may result in the employee having to reimburse the school district for any associated costs of replacement or repair.
7. Cell phones and any other school district issued communication equipment issued for employees are to be returned to the board secretary at the conclusion of the school year, activity or as otherwise specified or immediately upon request.

Cell Phone Authorization

School district-provided cell phones may be purchased and authorized for staff use in accordance with the following guidelines:

Cell phones may be assigned or made available on a temporary basis, by the superintendent, when it is determined:

1. The assignment of a cell phone device to the employee is a prudent use of school district resources.

2. The employee's job responsibilities requires the ability to communicate frequently and access to a school district or public telephone is not readily available.
3. The employee's job involves situations where immediate communication is necessary to ensure the safety of individuals and security of school district property.

Regulation No. 401.12 (Page Two)

### Cell Phone Business Procedures

School district employees may be reimbursed for use of privately owned cell phones to conduct school district business in accordance with board policy and this regulation, with prior approval of the superintendent.

1. Requests for reimbursement for authorized use of employee owned cell phones are to be submitted on school district provided forms accompanied by a copy of the billing statement with the school district business related calls highlighted. A notation for each highlighted entry, indicating the nature of the call is required. The employee's immediate supervisor must sign-off on the billing statement verifying the calls were school district business related. School district reimbursement for authorized use of employee owned cell phones will be made in conformance with school district payment procedures. Requests for reimbursement, including the highlighted billing statement must be submitted within thirty (30) days of the end of the time period for which reimbursement is requested. Requests submitted after the reimbursement deadline has passed will be denied.
2. On a monthly basis all personal calls on a district-provided cell phone are to be highlighted on the billing statement by the user. A notation for each highlighted entry indicating the nature of the call is required. The cost of all personal calls made/received by an employee are to be totaled and a check written for the amount to the school district. Requests for reimbursement, including the highlighted billing statement must be submitted within thirty (30) days of the end of the time period for which reimbursement is requested. Requests submitted after the reimbursement deadline has passed will be denied.
