

BUILDINGS & SITES

Series 800

Policy Title Buildings and Sites Long Range Planning

Code No. 801.01

As part of the board’s long range plan for the school district’s education program, the board will include the buildings and sites needs for the education program. The long-term needs for building will be discussed and determined by the board.

It is the responsibility of the superintendent to provide information including, but not limited to, enrollment projections and education program requirements to the board.
