

George-Little Rock
Community School District

High School Section
2014-2015

Welcome

We welcome you to George-Little Rock High School. One of the major goals of the faculty and administration is to provide a safe environment and an atmosphere conducive to learning. As a citizen of this school, you are expected to follow the rules that are established for the welfare of the entire student body. The following rules will help all students to become better school citizens.

BE PROUD OF YOUR SCHOOL! Take good care of it, and feel free to make suggestions for improving it. As a school citizen, you are expected to act like a high school student and conduct yourself properly. You will learn necessary and useful skills for the future. If you are a new student, you may find some things unfamiliar at first; however, you will soon become accustomed to them.

Throughout your life you will be looking toward the future, but you will also find yourself thinking of the fun experiences you had while a student at George-Little Rock High School. We wish you much success this school year.

Student Respect for Staff

We expect every staff member to be treated with respect and dignity just as the student should receive the respect of the staff. It is imperative that the teacher is in charge of the class, and anything less would lead to a poor educational environment for all. Disrespect toward a staff member will not be tolerated under any circumstances. Any staff member has the right to direct students anywhere on school property or at any school sponsored activities.

Building Hours for Students

Before 8:00 a.m. the building is closed to students. Exceptions are made for those students in supervised activities or in early morning ICN classes.

6:55 - 8:00 a.m.	Early morning ICN
7:50 - 8:10 a.m.	Morning breakfast
8:00 - 8:10 a.m.	Rural buses arrive
8:00 a.m.	High School is open to all students
8:00 a.m.	Shuttle bus from Little Rock
3:15 p.m.	High School dismissal
3:35 p.m.	Shuttle bus departs for Little Rock
3:40 p.m.	Rural buses depart
4:00 p.m.	School building is closed to all students except for those attending supervised practices or activities
6:30 - 9:30 p.m.	Evening ICN Classes

Student Attendance

See the general section for the district-wide attendance policy. All students are expected to leave the building when classes are not in session. Students may remain in the building when classes are not in session if supervised by a faculty member, coach, or activity sponsor at a regularly scheduled activity or event.

Closed Campus

We operate on a "closed campus" policy. Students must stay on the school campus from the time they arrive, even if the daily schedule has not begun, until dismissed. Students are allowed, with parental or a guardian's permission, to walk home for lunch. Students violating this policy will be subject to suspension from school.

Checking Out Of School

Students wishing to leave campus prior to normal dismissal must check out through the principal's office. However, students should limit any check outs to emergencies only. The following guidelines apply to any student wishing to checkout:

1. Must have a valid reason to check-out
2. Must be checked out through the office by a parent or legal guardian
3. Students must report to the office before the start of school on the day they return to school following a check-out.

Lunch Period

The cafeteria will be a safe and clean environment where people interact with respect.

Students will

1. Show respect to self and others by exhibiting good table manners
2. Consume all food and drink in the cafeteria and commons
3. Be mannerly and orderly in the lunch line and at the tables
4. Leave tables, chairs, and floor clean for the next person to use, picking up wrappers, napkins and/or all trash
5. Abstain from cutting in line to purchase food

6. Reenter the high school through the triple doors
7. Stay in designated areas during the entire fifth hour
8. Not bring soft drinks/energy drinks into the cafeteria

Designated areas include the commons, and outside the triple doors.

The GLR school board has determined that the lunch period is a “closed lunch period”. Students are not allowed to leave school for lunch. Carry out orders are not allowed into the school without prior approval from the principal. Students are allowed with parental or a guardian’s permission, to walk home for lunch. The students are to arrive to their next class period on time. Violating this policy will result in losing the privilege to walk home.

Hallway and Other Common Areas

Behavior Goal: The common areas of George-Little Rock High School will be safe and quiet environments where people interact with courtesy and respect. In general, a common area is understood as an area that is commonly used by students outside of their assigned classroom.

Common Area Behavior Expectations:

1. Respect for all in the school community
2. Respect for personal and public property
3. During class time, students must have a signed pass to transfer through common areas

Study Hall

Behavior Goal: Students will demonstrate respect for others by contributing to a quiet atmosphere conducive to study and research.

Students will:

1. Sit in assigned seats
2. Bring adequate work or reading/writing material for study or independent research

Bus Conduct

Student expectations:

1. Student behavior, which disrupts the safe or orderly operation of buses, may lead to suspension from riding.
2. In order to control or prevent misconduct, vandalism, or willful destruction of property, the supervisor of transportation or school principal, in conjunction with the bus driver, shall have the authority to assign seats for transported students. If vandalism does or destruction occurs, the student or students assigned to that immediate area shall be held liable to the extent of the damage.
3. Each student will be at the place designated to board the bus at the scheduled time. He or she will remain in his/her seat and wait until the bus has come to a complete stop before attempting to get off. He/she will not leave the bus at any place other than his/her regular stop except with consent from the principal. He/she will enter and leave the bus only at the front door except in an emergency.
4. All parts of the body are to be kept inside the bus at all times.

Driving Personal Vehicles to School

Students who drive to school are expected to operate their vehicles in a safe manner. Students who exhibit reckless or unlawful driving acts may be reported to law enforcement. In Iowa, any school employee has the right to testify in a court of law regarding traffic violations by students. The court may issue a traffic citation based on such testimony.

Vehicle Operation and Parking Lot Rules

1. Students are to enter the building immediately after parking their car.
2. Students are to park in the designated areas only in the lot west of the elementary school.
3. Students must obey regular parking lot rules (parking within lines, and in designated areas). Failure to do so will result in your car being towed at student expense.
4. Students are not to be in the parking lot or vehicles during, before, or after school. Students must have the permission of the principal or acting principal to return to the parking lot.
5. Students are to keep vehicles locked and valuables concealed. GLR Community School is not responsible for lost, stolen, or damaged property.

6. Between the hours of 7:00 a.m. and 4:30 p.m., students are not allowed to park in the lot south of the gym. Driving in this area is dangerous to students walking before, during, and after school.

7. Between the hours of 7:30 a.m. and 4:30 p.m., students must exit from the student parking lot using the south or west exits only. Exiting to the east is potentially dangerous to young children entering or leaving the elementary school.
8. Students are required to register their vehicles in the office.

Note: The interior and compartments of a student's automobile on the school premises may be searched if school officials believe that contraband items are contained inside. Searches will be conducted with the presence of a school employee as witness or law enforcement officer with the student driver present.

Electronic Devices

iPods and similar devices are acceptable for use during study halls and at the teacher's discretion.

Cell Phones

Electronic and technological devices, including cell phones, may not be used to send or receive personal messages that would contribute to cheating, accessing the Internet without permission, or taking pictures without permission. Inappropriate use of a device or a prohibited item will be taken away from the student and returned at a later date. Students found in violation of this policy may be subject to discipline and, in cases where a law may be violated, law enforcement may be contacted. Students need to remember that whatever they put on a personal electronic device could end up anywhere so they need to ensure the devices are used appropriately.

Schools are increasingly playing a role in helping in the education of today's youth in the proper use of technology. High schools can help students learn about technology, utilize it, and also understand how to control it. Students can learn to employ cell phones to their benefit, but also to not be burdened by constantly answering, talking, and texting on them.

Note: All phones must be turned off and secured by students, out of sight, during classes, in the hallways, programs, meetings, and assemblies. Students are allowed to use cell phones before and after school and during their lunch time.

First and subsequent violations:

1. The phone is confiscated, but returned to the student after 7 calendar days.
2. The parent or guardian is notified by telephone or letter.
3. One referral point.

Use of Telephone

The use of the telephone in this school will be limited to those calls deemed necessary to normal and essential functioning of the student. The following stipulations should be observed:

1. All phones are off limits to students except the one in the high school office.
2. Students must get permission from the secretary or office personnel before using the telephone.
3. Students will NOT be called out of class to come to the telephone.
4. Only in an emergency will a message be delivered to a student during class time.
5. Students will not be allowed to use the telephone during a class period unless it is an emergency situation.

Search and Seizure

Student lockers are the property of the school district. Students shall use the lockers assigned to them for storing their school materials and personal items necessary for attendance at school. It will be the responsibility of each student to keep the assigned locker clean and undamaged. Students will be charged for the cleaning and repairing of excessively dirty or damaged lockers.

School authorities may, without a search warrant, search a student, his or her desk, work area, gym bag and/or locker, and book bag based on reasonable suspicion. The search will be conducted in a manner reasonable in scope to maintain order and discipline in the school, to promote the educational environment, and to protect the safety and welfare of the students, faculty and support staff of GLR High School. Notice after inspection of student lockers shall be given within 24 hours of a locker search.

School officials may also seize any illegal, unauthorized materials discovered in the search. Unauthorized items may include, but are not limited to, nonprescription controlled substances such as marijuana, cocaine, amphetamines, barbiturates, drug paraphernalia, alcoholic beverages, tobacco, provocative posters/pictures, weapons, explosives, poisonous materials, and stolen

property. Unauthorized items will be listed for each seizure and kept on record in the principal's office. At least two school employees will witness each locker inspection. Illegal items shall be given to the proper law enforcement officials.

The Lyon County Sheriff's Department periodically takes a drug dog through the school facilities. The Parent-Student Handbook is the students' and parents' annual notice that a drug dog will periodically sniff for drugs both inside the school and outside the school on school district property.

Locker Padlock Request

Students may request padlocks for their student locker or athletic locker from the high school secretary. Students will be charged a fee if the lock is not returned or is damaged. Students are to return the lock to the high school office at the end of the school year, or when they no longer need it. The school is not responsible for items missing or stolen from student lockers. You are advised to not leave expensive calculators, cash, cell phones, or other valuables in an unlocked locker.

Dances

School sponsored dances must be approved by the principal at least two weeks prior to the dance. The following rules apply to students attending dances:

1. Students who leave a dance are not allowed to re-enter the dance.
2. Students must register high school age guests that do not attend GLR High School a week before the dance. GLR students are responsible for the behavior of their guests.
3. High school dances are not open to middle school students.
4. No outside food or drink is allowed.
5. A telephone call will be made to the parent/guardian and the county sheriff's department for any student suspected of being under the influence of drugs or alcohol.

Cheating

Cheating is considered a very serious offense. Cheating is taking credit for work one has not done and includes the use or attempted use of unauthorized aids on tests, quizzes, homework, class work, reports, papers, and projects.

Some examples of cheating are as follows:

1. Copying homework
2. Plagiarizing
3. Copying another person's work to be submitted as his or her own
4. Using or attempting to use unauthorized aids on tests
5. Talking during a test
6. Having a copy of the test or answers to a test
7. Attempting to deceive by changing a test paper that has been graded
8. Providing specific information about a test to someone who has not taken the test
9. Giving unauthorized assistance to a fellow student
10. Forgery in connection with endeavors such as signing someone else's paper

Penalties for Cheating

Any student suspected of cheating will be referred to the administration for disciplinary action. Should the administration determine that the student, or students, did indeed cheat, the following penalties will apply:

- 1. First offense**
 - a. Receive a zero on the work
 - b. Notification of parents by telephone or letter
- 2. Second Offense**
 - a. Receive a zero on the work
 - b. Be assigned 1 day ISS
 - c. Notification of parents by telephone or letter
- 3. Third Offense**
 - a. Receive a zero on the work
 - b. Be assigned 2 days ISS
 - c. Notification of parents by telephone or letter

Any subsequent incidences of cheating will warrant more severe action and can possibly result in expulsion due to the student's continued disciplinary problem.

Tobacco

Students are not allowed to smoke or use tobacco during the school day either in the building or on school grounds. Also, students are not permitted to carry products, cigarette lighters or matches during the school day. The police will be called when students are caught using tobacco during the school day. Possession of tobacco will be treated the same as use of the tobacco. This policy applies to all school-sponsored activities as well as the school day.

Tardiness

Being on time is a basic premise of success and the demonstration of responsible citizenship. Tardiness to class is handled by teachers individually. Common practice is to serve a detention after three tardies.

Students who are tardy to school three times, in either semester will result in the student receiving disciplinary action as follows:

1. Third unexcused tardy. The parent will be contacted by letter explaining what disciplinary actions will be taken if subsequent tardies occur.
2. Fourth unexcused tardy. The student will be called into the office for a conference about his/her unexcused tardies.
3. Fifth and subsequent tardies. ISS.

Attendance and Activities

Students are required to be in school the last four class periods of the day to participate or attend practice(s) or performance(s) on the same day. A waiver may be granted by the principal for extenuating circumstances. Students are required to attend school promptly on the day following a performance.

Excused Absences

School-sponsored trips, appointments with school officials, college/armed service recruiter appointments, standardized testing, school pictures, etc., are not recorded as absences on the students' permanent record. These types of absences may be recorded by teachers as "school-related absences." School-related absences are considered excused. These absences will not be reflected on the permanent record.

Excused absences that are recorded on the permanent record include: medical or dental appointments, funerals, and any merited cases where prior arrangements were made with the principal. In some cases, a doctor's verification of illness may be required by the principal. Students may be granted two excused absences per semester to work at home. Under extreme circumstances, additional days may be granted with administrative approval. Seniors may be granted two excused absences for college visit days. These days must be arranged by the guidance counselor in advance.

Makeup Work

Students who are absent for any reason will be required to make up work missed in each class. Students get two days for the first day missed and one day for each additional day missed to make up the work.

All makeup work is to be turned in before the end of the grading period. Only in extreme cases of prolonged absence will more than one week be allowed for work to be made up unless the school office grants permission.

A day's absence does not excuse a student from responsibility for all work on the day. It is the student's responsibility to obtain all makeup work from his/her teacher upon return to school.

Rules, regulations, and consequences are not needed for the vast majority of our students. However, they are necessary to support some students' growth towards maturity.

Student Conduct

Guiding principles for the GLR High School are reflected by our building motto, "Be Responsible-Strive for Excellence." The faculty adopted five school-wide expectations to support this motto.

1. Always try.
2. Be responsible.
3. Cooperate with others.
4. Do your best.

5. Treat everyone with dignity and respect.

Good Student Conduct Rule

The Good Student Conduct Rule is located in the general section of the handbook.

Behavior

George-Little Rock High School's student behavior management plan is to help ensure that all students have the opportunity to learn in an environment which is positive and allows maximum achievement of educational goals. It is the school's intent to help students make positive and safe decisions regarding their behavior.

Expectations:

1. Students will cooperate and follow directions from any staff member.
2. Students will show respect towards all staff members and fellow students. Respectful language is expected.
3. Students will not intimidate other students, whether verbally or physically.
4. Students will remain on campus during the school day unless authorized to leave. "On campus" is defined as inside the building or outside the building in designated areas. **The parking lot is not one of these designated areas.**
5. Students will refrain from inappropriate public displays of affection.

Detentions

Office issued detentions will be handed out to students for a variety of violations. Students who receive an office issued detention will have one week to serve the detention. If it is not served within one week of the occurrence, then the student will serve one (1) day of ISS. The student will also keep serving ISS until the detention is served.

Emergency Removal

Students engaged in serious class disruptions, obnoxious or malicious behaviors, blatant disrespect to employees or school vendors and guests, shall be removed from class or other school-related activity until reinstated by the principal. Students may be sent home with a parental notice or released to law enforcement in extreme cases. The purpose of removal is justified to maintaining a psychologically and physically safe and orderly environment for the teaching and learning process.

Definitions of Consequences

Suspension: an action taken by school administrators under the district's discipline policies. A suspension is the temporary removal of a student from the normal school setting for a period of one to ten days. Suspensions may be considered in-school or out-of-school. These absences from school are excused and the student is given the opportunity to make up the work.

Two Types of Suspensions

1. In School Suspension (ISS)
2. Out of School Suspension (OSS)

Expulsion: a long term removal from school membership by the George-Little Rock Board of Directors.

Points for Behavior

George-Little Rock will use a points system for minor offenses that require the principal's attention. Students who violate minor offenses will be given points through a formal referral process per semester. Students who accumulate points will be dealt with in the following manner.

Three Points

- Counsel, detention, and/or parent conference. Parents will be notified by telephone or letter.

Six Points

- In-school suspension.

9th and Subsequent Points

- In-school suspension.

12th and Subsequent Points

- Three days of suspension with possible referral to Alternative School.

The Building Assistance Team (BAT) will meet regarding a student's behavior upon that student receiving his/her 9th point.

Minor offenses include behavior such as parking lot violations, inappropriate/disruptive behavior, dress code violations, having to be removed from class, and excessive talking.

Guidance Program

The school district guidance program is divided into four separate categories. These categories are counseling services, post-secondary planning and financial information services, appraisal services, and placement services. The guidance program strives to be a continuous, consistent, and responsive service to meet student needs. Faculty, administration and support staff involved in the guidance program maintain strict confidentiality.

High School Testing

Standardized tests are used to determine academic progress for individual students, for groups of students, and for the school district. Standardized tests include the Iowa Assessment for grades 9-11 and ASVAB (Career Exploration Program) for grade 11 students. For more information, contact the guidance counselor. Optional college entrance tests include the PSAT for merit scholars and PLAN, a sophomore preparatory test for the ACT.

Student Assistance Team

Students interested in serving as peer helpers or peer tutors are encouraged to enroll in the SAT program. Positions are available in the elementary school and high school. SAT is graded and recorded pass/fail on the student's report card and transcript. SAT requires authorization from the SAT coordinator, cooperating teacher/supervisor, and principal. Students must have completed, or be enrolled, in the core classes as outlined by state guidelines.

Note: Core program includes 10 semesters of English, 3 years of math, 3 years of science and 3 years of social studies.

Student Council

The Student Council is an important organization in the George-Little Rock High School. It is through this organization that student opinion and ideas for school improvement can be brought to the attention of the faculty and administration in a manner not unlike the representative government that serves this country so well. Student council members are expected to be exemplary role models and are subject to removal in the case of code of conduct violations.

Council members should keep in mind that they are elected to represent the entire school, not merely a small partisan group. The primary responsibilities of student council members are to promote student achievement and school pride.

Student council members should possess the following characteristics:

1. Willingness to work and accept responsibility
2. Desire to improve leadership qualities and to serve the student body
3. Genuine interest in promoting school pride
4. Willingness to cooperate with students, faculty, administration and support staff
5. Reliable and trustworthy
6. 2.0 GPA
7. Good attendance

Citizenship Recognition

During the final quarter of the school year, the faculty will select students from each class for outstanding citizenship and recognition.

Honors in Scholarship

Certificates are awarded to students who achieve no less than a 3.50 GPA at the end of the first semester each school year. Seniors who have achieved this award all four years will receive an Honors in Scholarship letter.

Graduating with Honors

Students earning a minimum cumulative GPA of 3.25 or higher will receive honor cords to wear during graduation. A distinction of "Honors Graduate" will be made in the commencement program.

Honor Points for the All-School GLR Letter

George-Little Rock High School recognizes students for outstanding participation and performance in the school's academic and extracurricular program. The All-School GLR Letter is awarded to students who have accumulated at least 250 points. The coaches, activity sponsors and other supervisors award points. No more than 30 points will be allowed from a single source. Honor point categories for the All-School GLR Letter include the following:

Baseball, Basketball, Cross Country, Track, Football, Golf, Softball, Volleyball, Wrestling, Student Manager, Class Officer, Student Council, STEM/Robotics, Pep Band, Vocal Music, School Play, Speech (Individual and Large Group), Yearbook, FFA, Cheerleader, National Honor Society, TAG, Attendance, and Academic GPA.

Students may transfer no more than 125 points from their previous high school(s). To transfer points from another school requires a conference with the principal or the principal's designee to determine points earned from another school district. All-School GLR Letters are awarded during the annual Awards Night event scheduled on the activity calendar. The top recipient receives a Mustang pin in addition to the All-School GLR Letter.

Homecoming and Prom Courts

The George-Little Rock homecoming court, prom royalty, and prom waiters/waitresses should be good role models for the student body. They must meet all three of the following criteria to be eligible:

1. No violations of the good student conduct policy for the current school year and the preceding summer.
2. Must meet all eligibility requirements for extracurricular activities.
3. Shall not have been suspended (ISS or OSS) during the current school year.

Honor Roll

Students who maintain greater than or equal to a 3.0 GPA will be considered members of the honor roll, which will be published at the end of each semester. Physical education and driver's education are not currently calculated in the permanent GPA. The following criteria are used for honor grade designation: "A" honor roll (3.67-4.0 GPA), and "B" honor roll (3.00-3.66 GPA).

National Honor Society

GLR High School is a proud member of the National Honor Society of Secondary Schools. Election to this organization is one of the highest honors a student can receive during his/her high school career. As defined in the NHS constitution, the purpose of this organization "shall be to create enthusiasm for scholarship, to promote leadership, and develop character in the students of American Secondary Schools." Standards for membership are set by the NHS and can be modified by the local chapter. Applications are reviewed on the basis of scholarship, character, leadership, and service. Sophomores, juniors, and seniors will receive notice of eligibility for the National Honor Society during the month of March, if not earlier. To be eligible, students must have a cumulative GPA of 3.30 or higher.

Student Organizations

Participation in school-sponsored student organizations is an excellent way to apply skills and knowledge in a real life setting. Students have the chance to learn leadership skills, meet new friends, and discover a sense of high school pride through their participation. Individual sponsors or coaches are responsible to inform students of their opportunities and behavior expectations. Current school-sponsored organizations are the following: Annual Yearbook Staff, FFA, National Honor Society, STEM/Robotics, and Student Council.

Students of the Month

Each month, the faculty selects two GLR students for "Student of the Month" honors. Students can receive SOM honors once per high school career. The student selections are based on citizenship and academic achievement. The "Student of the Year" is selected from a list of seniors who were selected as "Student of the Month" during their high school career. The recipient must be a full-time student. The "Student of the Year" is recognized at Awards Night.

Incompletes

Incompletes should be made up within two weeks after the start of the next quarter. If an incomplete is not made up, the grade becomes an F. Incompletes for the fourth quarter are not allowed without the principal's permission.

Semester Test Requirement

Standards based semester assessments will be given in each course. All students are required to take these semester exams. Students who are absent for their semester exams are required to make them up on the first day that they return to school.

Adding/Dropping Course

Students who wish to add or drop a class must do so within 5 days of the start of the new semester. The principal's or counselor's signature is required to add or drop a class.

Course Load

Grades 9-12 are required to take seven credits per semester.

Grade Progress Reports

Report cards will be sent out on the Friday following the end of each nine week grading period. Midterm reports are mailed out to parents on the Thursday after the mid-term date of each quarter. JMC Parent-Link is available for parents to check student's grades.

Grades and Grade Point Averages

A+	100%	B-	81% to 83%	D	64% to 66%
A	94% to 99%	C+	77% to 80%	D-	60% to 63%
A-	91% to 93%	C	74% to 76%	F	0% to 59%
B+	87% to 90%	C-	71% to 73%	(Revised June 2009)	
B	84% to 86%	D+	67% to 70%		

The following scale is used to record a students' grade point average in their permanent record.

A	4.0	B	3.00	C	2.00	D	1.00
A-	3.67	B-	2.67	C-	1.67	D-	0.67
B+	3.33	C+	2.33	D+	1.33	F	0.00

Early Graduation

Students, who plan to graduate early, must apply at least one full semester prior to their last semester of attendance. In order to graduate early, students must complete the Early Graduation Request Application form for approval by the school board. Students must complete all graduation requirements during their final semester of attendance. Students who graduate early are not allowed to participate in school activities or extracurricular activities. Note: These students are allowed to participate in prom and graduation. Students failing to meet their early graduation deadline shall be reinstated as a full-time student. Final class rank will be determined at the conclusion of the final semester in the year the student's class would normally graduate.

Graduation Requirements

Students who have successfully completed the required academic program may participate in commencement exercises. Students must complete the following credits to graduate.

Total Credits Required	48 credits
Specific course credits for graduating	
English	10 credits
Health	1 credit
Physical Education	4 credits
Social Studies	6 credits
Science	6 credits
Math	6 credits
Personal Finance	1 credit (Starting Class of 2015)

Articulation Agreements

Articulation agreements allow high school students to complete some of their post-secondary courses during their high school years. Articulation agreements vary for each of our vocational programs at G-LR High School. Contact the counselor or vocational faculty members for the most current articulation agreement information.

Post-Secondary Enrollment Options Policy

The school district may pay up to \$250.00 per semester for tuition and books. **This is equal to one course per semester.** Books shall remain the property of G-LR except in cases where the total expense exceeds \$250.00 and the student purchases the books with his/her own money. Reimbursement will be made only for courses approved in advance by the administration.

Eligibility requirements include:

1. TAG students (grades 9-12).
2. Qualifying 11th and 12th graders.
3. Students who take two post-secondary courses must take a minimum of five high school classes.

4. Students who take one college course, of three or more credits, must take a minimum of six high school courses.
5. All students applying for post-secondary courses must have a minimum cumulative GPA of 2.50.
6. All students applying for post-secondary courses must meet the entrance standards of the post-secondary institution.

7. All students applying for post-secondary courses must pay their own application fees.
8. Credits for post-secondary courses shall be computed as three-semester hours equal to one high school credit. The course shall count on the high school transcript and college transcript GPA.
9. All students who drop a post-secondary course or fail to meet the requirements of the course shall reimburse the GLR School District for tuition and books.
10. Parental consent forms must be signed to be considered for enrollment in post-secondary courses.
11. Post-secondary students are expected to attend post-secondary classes regardless if the high school is in session.
12. Courses that the administration considers to be similar to high school courses will not be reimbursed.
13. Eligible college courses must be academic or vocational/technical in content and not religious or sectarian.
14. *No summer courses are allowed.*
15. All post-secondary course requests are due by March 15th for the following year. Exceptions to the March deadline must have administrative approval.
16. The student and student's parents/guardians are responsible for transportation arrangements.

Make-up Credit Opportunities

1. Retake failed courses

This is the recommended option for freshman and sophomore students. Juniors and seniors may take approved classes at the Northwest Iowa Community College Learning Center.

2. The NCC Center

Students may earn up to three credits from the NCC Learning Center. The NCC Learning Center provides independent study courses for students who wish to retake courses or accelerate through high school. All courses must be approved by the principal in advance. Students take NCC Learning Center courses at their own expense. The NCC Learning Center is open in the evenings during the school year and has summer hours during June and July. Students may contact the NCC Learning Center by calling 1-800-352-4907.

NovaNET

Students can earn credits toward graduation with NovaNet's comprehensive curriculum in mathematics, English, science and social studies. During the school year, NovaNET is intended as an effective tool to help students transition back into school and/or the classroom. In the summer, NovaNET is proving to be an effective means for completing coursework towards graduation. A maximum of four courses can be taken via NovaNet.

Note: For students failing a course, placement is done only through the Building Assistance Team (BAT) referral.

Alternative High School

GLR High School has an agreement to utilize the Northwest Iowa Community High School at Sheldon, and an additional placement at Central Lyon when considered necessary and appropriate. The alternative high school is not for students who fail because of lack of effort.

Basic Guidelines:

1. Students electing alternative education shall be enrolled in the George-Little Rock High School for at least nine weeks.
2. The students must be recommended for alternative placement by school officials, including the building assistance team, after academic interventions have been tried and a subsequent consultation with the parent/guardian.
3. The student must be accepted into the program.
4. School officials will monitor the student's progress. Failure to meet attendance requirements will result in the district withdrawing financial support for the student. Failure to successfully complete the program will result in the district withdrawing financial support for the student.
5. The alternative curriculum shall be certified by school officials as meeting the George-Little Rock requirements for graduation.
6. To be eligible for a George-Little Rock alternative diploma, students must meet the Alternative High School Diploma requirements.

Extracurricular Activities

Extracurricular activities include the following: athletic performances, drama performances, instrumental and vocal public

performances, National Honor Society, FFA, pep band, swing choir, jazz band, STEM/Robotics, all honorary and elected offices such as the homecoming court, student council, cheerleading, or any other activity where the student represents the school outside of the classroom. Co-curricular activities may be exempt from ineligibility if the activities require public performances and competitions as part of the classroom grade.

Participation or attendance at extracurricular activities will depend on the following rules and requirements. Read each carefully.

Note: Student attendance at extracurricular events is encouraged. Attendance is, however, a privilege that may be denied. Students at an event are under the supervision of school personnel.

Suspension Ineligibility

Students serving out-of-school suspension are prohibited from participating or attending extracurricular activities for the suspension period.

Failing Grade Ineligibility

Students may not be failing any classes to be eligible for extra-curricular activities. (Iowa Department of Education, effective 7/1/2006)

Students' grades are checked every mid-term and the first three quarters. Students who are failing a course, may compete as soon as passing grades are verified with the classroom teacher or teachers. When grades are posted at semester time, a student athlete who is failing any course, becomes ineligible for thirty calendar days, for the next activity they are involved in.

Transportation Requirement

Extracurricular participants are required to arrive at an away performance using school transportation. A waiver may be granted by the principal for extenuating circumstances.

Any extracurricular participant leaving a performance by means other than school transportation shall be ineligible to participate at the next performance unless the coach or sponsor "signs-off" the responsibility for transportation after the performance to the parent or guardian.

Sports Participation

An athlete may participate in two sports that are in season simultaneously. Coaches should be contacted and a student athlete should designate a primary sport.

Coach or Activity Sponsor Requirement

Each coach or activity sponsor may have additional requirements or rules that impact a participant's eligibility. For example, some coaches may require participants to attend every practice to be eligible to participate. These rules usually reflect the coach or sponsor's personal philosophy, which may be different from one coach to another or one level to another.

NCAA Initial-Eligibility Notice

Student athletes planning to enroll in college as a freshman and wish to participate in Division I or Division II intercollegiate athletics must meet minimum core-course requirements and academic performance standards in high school. See the guidance counselor for more information.

The George-Little Rock CSD is not responsible for lost or stolen items.
