

GLR Immunizations BEFORE SCHOOL or PRACTICES Begin:

Listed below is important information regarding vaccines required to enroll in school for Kindergarten, 7th, and 12th grade students from the LYON County Health Department.

Kindergarten students entering school in 2017-2018 must have documentation of the following BEFORE they can register for school:

- 5 doses of Dtap – 1 dose received on or after age 4
- 4 doses of Polio- 1 dose received on or after age 4
- 2 doses of MMR
- 3 doses of Hepatitis B
- 2 doses of Varicella

Students entering 7th grade in the 2017-2018 school year must have 1-Tdap and 1- Meningitis vaccine, or a valid exemption certificate BEFORE they can register for school.

Students entering 12th grade in the 2017-2018 school year must have 2 meningitis vaccines, or a valid exemption certificate BEFORE they can register for school.

Health Services of Lyon County is offering multiple vaccine clinics prior to school registration to help children and families be prepared for fall registration. Parents may contact Health Services at 712-472-8200 with questions or to schedule an appointment, or contact their family healthcare provider.

Students will not be able to attend school without meeting the immunization requirements, and will not be allowed to participate in any school related activities.
