

## REQUIREMENTS for students grades K-9

Proof of dental exam (see enclosed form)-grades Kindergarten & 9

DTP: at least five vaccinations

The last one must be after your child's 4<sup>th</sup> birthday

Polio: at least four vaccinations

The last one must be after your child's 4<sup>th</sup> birthday

MMR: two vaccinations

Hepatitis B: three vaccinations

Varicella: two vaccinations required IF your child has not had the chicken pox. If your child has had the chicken pox, we would like to know month and date.

Tdap-grades 7-11

Meningococcal-one for grade 7 and two for grade 12 unless first is given at 16 years or older

You may call Health Services of Lyon County at 472-8200 if you have any questions or wish to schedule shots. If we find that your child is missing something on his/her record, you will receive a letter after the school year begins. Thanks for your help in this matter.

Mel De Jong, RN  
Lyon County School Nurse
