

Local Wellness Policy Progress Report

School Name: George-Little Rock Community School District

Wellness Policy Contact: Tom Luxford, Superintendent

This tool is to document progress in meeting the goals written in the district’s wellness policy at each school building. Document steps that have or will be taken to accomplish each goal. In the “Contact Person” column identify the individual who can report on the goals’ progress. The items that are completed at the district level should be pre-filled to inform all school staff of the implementation status of those goals. Add more lines for goals as needed.

Nutrition Education and Promotion Goals

District Wellness Policy Goals Schools will provide nutrition education and engage in nutrition promotion that helps students develop lifelong healthy eating behaviors.	Contact Person	Fully in Place	Partially in Place	Not in Place	List steps that have been taken to implement goal and list challenges of implementation.	List next steps that will be taken to fully implement and/or expand on goal.
