

George - Little Rock CSD

ESSER Plan for the 2021- 2023 School Years

Recommended Financial and Focus of GLR CSD is to focus on learning loss and ability for remote learning if needed.

Learning loss, curriculum remote learning ability, classroom needs for remote learning, student and staff technology, and other classroom needs should be prioritized by the following:

Curriculum updates

- a. K-8 Grammar
- b. K-5 Social Studies
- c. MS/HS Mathematics
- d. Intervention curriculum
- e. MS/HS Social Studies

Technology needs

- a. Updated chrome books with licences

Mitigation needs

- a. Hand Dryers-reduce paper towels
- b. Automatic Bathroom lighting
- c. Automatic Faucets

Building and Grounds

- a. Filters - scheduled maintenance
- b. Supplies - cleaning with mitigation
- c. Air quality

For future sustainability of district, our # 1 focus should be general fund expenditure needs and the ability to reduce future expenditures within the general fund, look at items that could reduce future General Fund Expenditures first. One time money is the key, therefore nothing that will have continued costs over a long period should be used as can't sustain. Plan ahead for future negative money and reduced revenues expected.
