

STUDENTS

Series 500

Policy Title Student Fund Raising

Code No. 504.05

Students may raise funds for school-sponsored events with the permission of the school board. The school board delegates to the superintendent the authority to approve routine student fundraising as deemed appropriate. Collection boxes for school fund raising must have prior approval from the school board or its designee before being placed on school property.

All funds generated from district-sponsored student fundraising will be placed in the district's student activity fund.

It is the responsibility of the superintendent, in conjunction with the principal, to develop administrative regulations regarding this policy.

The following guidelines for fund raising projects will be followed:

1. All funds raised will be school funds, accounted for in the activity fund and used for organized school projects such as junior/senior banquet and prom.
2. Funds raised shall be reasonably calculated to fund the project or projects but nothing that would be greatly in excess.
3. The activities now authorized are the junior/senior banquet and prom, FFA fruit sales, and minor projects with the administration's approval. However, other major projects shall come before the board for approval.

It is the responsibility of the superintendent, in conjunction with the principal, to develop administrative regulations regarding this policy.
