Policy Title Radon Mitigation

Code No. 804.07

The district recognizes the importance of providing healthy learning environments for students, employees, and community members in district buildings. The district will take appropriate measures as required by law to assess radon levels in attendance centers and provide for mitigation or other measures where appropriate.

It is the responsibility of the superintendent to create administrative regulations necessary to carry out this policy.

Note: School Boards are required to approve a plan to assess radon levels in attendance centers in accordance with the requirements listed in the accompanying regulation.
