

Supplemental Weekend Food Voucher Program

Dear GLR Parent or Guardian,

The George Kiwanis Club is again administrating the supplemental weekend food program for youth within the GLR school district during the 2023/24 school year. **With the opening of a new school year, whether you were enrolled last year or not, we ask that you re-enroll for the 2023/24 school year.** If you choose not to re-enroll, we will consider this an indication that you do not want to participate in the program during this school year, and we will remove your name from our voucher mailing list.

The program is open to all youth within the district without restriction. You can enroll in this free program by filling out the form below and returning it to school, or by filling out and submitting the form found at the following web link: <https://george-littlerock.org/community/forms/supplemental-food-voucher-program/>

How the program works: Those who register for the program will have family vouchers prepared and mailed to each home at the beginning of each month. There will be a voucher for each week and that voucher will be dated. You will have 4 days (Friday through Monday) to use the voucher at either Total Stop Foods in George, or Community Foods in Little Rock, after that the store will no longer honor it. On each voucher there will be a list of items that you can pick from at either store. Once you have collected the items you want, take them to the checkout along with your signed voucher. There is no cost to this program. Be assured that all registration forms will remain confidential.

Consent Form: Please use one form for all school age children in your home. Additional names can be written on the back side of the page if necessary.
