Return -to-Learn Plan Addendum

2023-24 School Year

GLR Parents and Families,

We want to take a moment to update you with information on the upcoming 2023-24 school year in regards to how Covid -19 will affect our schools this year. We were so blessed to have been in session last year at GLR and appreciate your patience and understanding of the pandemic year we endured last school year.

As we begin the new year, we are at a different stage in dealing with COVID-19 locally, regionally, and state-wide. We are committed to the safety, health, and well-being of our GLR students, staff, and families, while reflecting on what we learned in the past to help us understand and ensure we are moving in the right direction for all stakeholders at GLR CSD.

Legislation was passed in late May of 2021 that placed a ban on any school system requiring a mask mandate. Masks will continue to be optional for all individuals on our GLR school grounds for the 2023-24 school year. We will continue to have discussions and protocols in place with the advice of Lyon County Health. We fully intend to return to an environment that supports teaching and learning in all settings at GLR CSD. Teaching and learning is our top priority and we look forward to providing an excellent learning experience for students/learners at GLR CSD.

We are excited to begin our 2023-24 school year with an excellent staff and great students and parents. If you have any questions, please feel free to contact me at 712-475-3311 ext. 102.

Sincerely,

Tom Luxford
Superintendent of Schools
George-Little Rock CSD
