

EDUCATION PROGRAM

Series 600

Policy Title Technology and Instructional Materials

Code No. 605.04

The board supports the use of innovative methods and the use of technology in the delivery of the education program. The board encourages employees to investigate economical ways to utilize multimedia, computers, and other technologies as a part of the curriculum.

It is the responsibility of the superintendent to develop a plan for the use of technology in the curriculum and to evaluate it annually. The superintendent will report the results of the evaluation and make a recommendation to the board annually regarding the use of technology in the curriculum.

NOTE: This is a mandatory policy and reflects the educational standards.
